**CRITICAL INFORMATION REGARDING RISING WATER IN THE WOODLANDS**

THE WOODLANDS, TEXAS (August 27, 2017, 5 p.m.) *From The Woodlands Fire Department*

Additional information regarding Montgomery County OEM's latest message. Spring Creek levels are currently projected to crest 4 feet higher than the 2016 Memorial Day Floods. If you were affected by flood waters during the 2016 floods and reside near Spring Creek, you are urged to leave if you can safely do so. Residents who live in Grogan's Point, Timarron (including residences south of Spring Creek and west of Kuykendahl), Tallowberry, Carlton Woods Creekside, residences near Spring Creek on the south side of Flintridge, and Gatewood Reserve may experience flooding conditions.

Additional neighborhoods or streets include, but not limited to, are:

- Aventura
- Bracebridge
- Carlton Woods Creekside
- Cascade Canyon
- Creek Ridge
- Gatewood Reserve
- Grogan's Point
- Havergate
- Heritage Hill
- Heron's Flight
- Horizon Ridge
- Hunters Crossing
- Landsdowne
- Legacy Point
- Lenox Hill
- Pondera Point
- Shawnee Ridge
- River Bank
- Stellar Point
- Tallowberry
- Tealbriar
- Trace Creek
- Timarron

- Timarron Lakes

Residents of Grogan's Point, evacuation points have been established at Sawdust Road Baptist Church at 3100 Sawdust Rd. From there, residents will be transported across Sawdust Road where buses will be waiting to transfer to local shelter. Residents wishing to be picked by any other means can depart from this location.

The Montgomery County Office of Emergency Management has established a shelter at the following location:

St. Simon and Jude

26777 Glen Loch Road

The Woodlands, TX 77381
